Subject: Additional Edits re: Wedron, IL: Illinois Railway Scope of Work

David – attached is a final AOC, accepting the minor edits you provided earlier this week and including some new formatting edits. I'm also attaching the workplan with some additional edits. We accepted the edits provided to Steve Faryan earlier this week and proposed our current edits in redline. The edits are consistent with prior comments and discussions among the parties. Per my management, if possible, please send me a final workplan today or early tomorrow so I can begin sign-off tomorrow. I am out of the office tomorrow, but will try to check email regularly. I can be reached by cell phone after 4:30 today and all day tomorrow: 773.474.1837.
